

Your Personal Patient Portal

Dear Patient,

with the enclosed card, you will receive access to your personal patient portal of Radiologie Wittlich/Daun. In the portal, you can access your reports and images directly and make them accessible to your doctors and other treating institutions.

Please do not pass on this personal card to others, as it allows access and management of all your examinations.

You can create accesses for third parties yourself in your portal (guest ticket).

Instructions:

Please enter the URL <https://portalrw.de/ticket> into the address line of your internet browser or scan the QR code – you will then reach the login page for your patient portal.

Please follow further instructions on the screen
In the portal, you will find a user manual with a description of the main functions by clicking on your name at the top right:

-  View report
-  View images in viewer and download images (zip file)
-  Share study - creates a guest ticket for the study
-  Download document (pdf) with guest ticket

If you have any further questions, please feel free to contact us by email at portal@radiologie-wittlich.de.
